- The school day will finish at 3:15pm.
- Children will come into school and leave through the Key Stage 1 playground.

Attendance and Punctuality

Good attendance and punctuality is a skill for life and the best way to embed this skill in our children is to promote high expectations as soon as they start school.

When we are thinking about attendance '***Helping Each Other to Aim High***' means that we all aspire for our children to be in school, on time, ready to learn every day. We will update you each week on how we're doing.

Statutory Guidance from the government regarding school attendance comes into force from **19th August 2024**. Please find more information in the dining hall.

Did you know that children are only in school for 190 days a year? That leaves 175 days for family time, holidays and routine medical appointments.

ATTENDANCE	LOST LEARNING
100%	Nothing missed Everything gained
99.5%	1 DAY 5 LESSONS WITHIN EXPECTATION
99%	2 DAYS 10 LESSONS WITHIN EXPECTATION
98%	4 DAYS 20 LESSONS WITHIN EXPECTATION
97.99%	Over 4 DAYS Over 20 LESSONS BELOW EXPECTATION CATCH UP REQUIRED
95%	9.5 DAYS 45 LESSONS WORRYING, CHANCES OF FALLING BEHIND IMPACTING ON SUCCESS
92%	15 DAYS 70 LESSONS LESS LIKELY TO SUCCEED & HARDER TO MAKE PROGRESS
90%	19 DAYS 95 LESSONS LIKELY TO HAVE A DETRIMENTAL EFFECT ON ACHIEVEMENT & LIFE CHANCES

In most areas of life, a score of 80% or 90% would be considered good or even excellent, but not when it comes to school attendance.

If you have concerns about your child's attendance and would like to discuss these, please speak to your child's class teacher in the first instance.

Our School Uniform

We encourage children to wear our uniform as this promotes a feeling of belonging to the community of Halifax School and also prepares them for the world of work.

Curriculum

- **Autumn term**

Our Topic in Autumn Term will be 'Navigating our local area'. In this geographical topic children will learn to read and create their own maps.

. In Autumn 2, our topic will be 'Changemakers: Making History'. In this historical topic we will look at different historical figures who had a significant impact.

- **Spring term**

Our Topic in Spring Term will be 'Asia' where we will focus on Japan. We will compare the UK and Japan and find out about mountains in the UK and around the world. Will also look at Japanese inspired art creating their own calligraphy.

- **Summer term**

Our Topic in Summer Term will be 'The Great Fire of London'.

We will find out about the Great Fire of 1666- how it started, the damage it caused and what London was like before and after the fire.

We will also find out about how firefighting has changed and improved since 1666 through a trip to the fire station.

Homework Expectations

- Children in Year 2 do not have homework books. The priority is ensuring that children read as regularly as possible.
- Please read with your child daily (or as frequently as possible).
- Please record **5 reads** in the diary- with a comment *written by the child* and signed by an adult.
- Reads will be checked every Monday.
- We will also set spellings and children will be quiz on these.
- Use TTRS to learn the 2, 5 and 10 times tables.

Year Group Expectations

Our school rules: **Be Safe, Be Responsible, Be Respectful and Be Caring** frame our high expectations in Year 2.

- In year 2, we do not make a big deal out of tests. We aim to ensure that children do not feel stressed or pressurised and refer to assessments as Space Academy Training.
- However, we will be ensuring that pupils can, where possible, meet the end of year expectations. This is why it is extremely important to make sure you are reading with your children at home, as by the end of year 2 they will have questions that look like this:

We appreciate your support with this.

New Year festivals

New Year festivals celebrate the end of one year and the beginning of the new one.

Hogmanay

In Scotland, people call the New Year festival Hogmanay and they celebrate it on the last day of the year. At Hogmanay, there are dazzling firework displays and lots of singing and dancing.

Chinese New Year

The Chinese New Year festival is celebrated on the first day of the new year in the traditional Chinese calendar. This day changes every year but it is always in January or February.

At Chinese New Year, people celebrate with music and dancing. They often have wonderful parades. In the parades, huge puppets move through the streets and people wave colourful flags. The most impressive puppet is the dragon. In Chinese legends, dragons are friendly and bring good luck. In the parades, the dragon puppet always comes last.

After the parades, people let off firecrackers (noisy fireworks). Everyone has fun!

Flower festivals

Flower festivals are held all over the world in spring and summer. They usually celebrate the arrival of spring and the new flowers that grow.

In a country called the Netherlands, people decorate boats and lorries (called floats) with tulips and other flowers. The Netherlands is famous for its tulips.

In a country called Italy, people make huge carpets of flowers in the streets. The flowers stay in place for days or even weeks. At the end of the festival, children are allowed to play in the flowers.

a street covered in flowers

On an island called Jersey, people make giant models of animals, boats and cars out of flowers and take these models on a parade through the island's towns. There is music and dancing. At night, the models are covered in lights and they make the streets sparkle. At the end of the parade, there is a huge firework display.

Before the Chinese New Year parade, people celebrate with firecrackers.		

Trips and Experiences

As part of our work to provide an engaging curriculum, we endeavour to provide a range of trips and experiences to enrich the learning of all our pupils.

As you can appreciate, the provision of these events does involve a significant amount of additional planning and costings and we will always strive to provide as much notice as possible to gain consent, deposits and balance payments. Therefore, in order to help us continue to provide these experiences, deadlines for consent and payment must be met.

Helping your child

The most important thing you can do at home is to read with your child at home **every day**. Reading is the key to their success in Primary School.

Knowing times tables is an essential part of mathematics, therefore it is important that you also practise times tables, particularly 2s, 5s and 10s. You can access TTRS to help your child with their times tables at home.

We will keep you updated regularly on what the children do in school through Class Dojo.

We thank you in advance for your support and very much look forward to next year. 😊

Any questions

We thank you in advance for your support and very much look forward to working with you and your child next year.
