## Maths - Percentages

1. 600

2. 112

3. 459

4. 162

5. 182

6. 459

7. £140

8. 160

9. Divide 40% by 4 to get 10% and then times that by 10 to get 100% - there are other methods for this. Check this with your teacher if you are unsure!
