Mrs Twit Gets a Stretching

Mr Twit led Mrs Twit outdoors where he had everything ready for the great stretching. He had one hundred balloons and lots of string. He had a glass cylinder for filling balloons. He had fixed an iron ring to the ground.

"Stand here," he said, pointing to the iron ring. When that was done, he began filling the balloons with gas. Each balloon was on a long string and when it was filled with gas it pulled on its string, trying to go up and up.

Mr Twit tied the ends of the strings to the top half of Mrs Twit's body. Some he tied round her neck, some he tied under her arms, some to her wrists and some even to her hair. Soon there were fifty coloured balloons floating in the air above Mrs Twit's head.

L1: To Read Fluently

"Can you feel them stretching you?" asked Mr Twit.

"I can! I can!" cried Mrs Twit. "They're stretching me like mad".

He put on another ten balloons. The upward pull became very strong. Mrs Twit was quite helpless now. With her feet tied to the ground and her arms pulled upwards by the balloons, she was unable to move. She was a prisoner, and Mr Twit had intended to go away and leave her when Mrs Twit opened her big mouth and said something silly.

"Are you sure my feet are tied properly to the ground?" she gasped. "If those strings around my ankles break, it'll be goodbye for me!"
