

Day 10 - Year 6 home learning

Subject	Activity	Resources to help
Maths	<u>Have a go at an arithmetic test</u> today - remember to time yourself for 30 minutes and then mark it to see how you got on out of 40!	Arithmetic test + answers
English	If you can, watch one of the Harry Potter films! See if it is how you pictured it to be or is it different! <u>Write a short explanation</u> of what's the same and what's different from what you pictured.	
Reading	Read for 30 minutes - write this in your diary and get this signed by an adult.	
Spellings	It's test day - get someone to test you on this week's spellings. Send your score to your teacher!	
Art	Make a WW2 vehicle from junk modelling. Take some time to research and design your vehicle before finding items around your house that are no longer needed to make your design. You will need to think about how you will stick it together, change its colour, will it be moveable?	

If you have any questions - or would like to share your child's completed work - please use Class Dojo!
