

Day 3 - Year 6 home learning

Subject	Activity	Resources to help
Maths	<u>Parallelograms today!</u> Watch the video to see Miss Dade explain how to find the area and perimeter of parallelograms. <u>Have a go at the questions on the sheet.</u> Don't forget to check the unit of measure for your answer, and that area is always squared .	https://youtu.be/5hujbu8QREE Questions
English	Yesterday, you worked hard exploring the extracts from the book. Today, you are going to <u>explore the same scenes from the film.</u> Follow the links to watch each clip and then <u>see if you can work out which book scenes each clip corresponds to.</u> Do you already <u>notice any differences?</u> This will be part of your task tomorrow!	Video clip links in resources for the day PDF
Reading	<u>Re-read the extract from Inkheart.</u> Today, you are going to <u>retrieve</u> information from the text. Work through the questions, finding the information in the extract.	Extract
Spellings	Have a look at this week's spelling words and practise these in whichever way works best for you. You could try writing them out as much as you can, a spelling scribble, a spelling pyramid or make a spelling game.	
PE	Choose a fitness activity such as a 20-minute walk or run, 20 minute circuit or a Joe Wicks workout. Check your pulse before and after by pressing two fingers to your wrist or neck. What happens to your heart rate and body after exercise? How long does it take to cool down?	

If you have any questions - or would like to share your child's completed work - please use Class Dojo!
