

Day 3 - Year 6 home learning

If you have any questions - or would like to share your child's completed work - please use Class Dojo!

Subject	Activity	Resources to help
Maths	Today we will continue looking at ratio - watch the video to remind yourself of the steps to using ratio in a word problem and <u>then have a go at the questions.</u>	Written steps https://www.youtube.com/watch?v=Nx6W_wPsXyk&list=PL-10kiddfqEOHRx0sKaTgrKgZR4il6hrT&index=28 Questions
English	Today you are going <u>to write your second paragraph to your autobiography 'Early Life'</u> - this is similar to your biography Early Life paragraph where focus on chronological order and the early life of Winston Churchill. Have a look at the example to help you - think about all the Year 6 writing features you could include and remember as it is about you it needs to be in 1 st person!	Example paragraph
Reading	Watch the trailer of Aladdin. Write two lists, as before: what can you retrieve as fact and what can you infer (work out) from the trailer.	https://www.youtube.com/watch?v=foyufD52aog
Spelling	Have a look at this week's spelling words and practise these in whichever way works best for you. You could try writing them out as much as you can, a spelling scribble, a spelling pyramid or make a spelling game.	
PE	Make up a circuit to raise the heart rate (this is called cardio). This must have 5 parts - write down the instructions, film yourself explaining and showing an example how to do it or challenge someone else in your house to do this. It can be inside or outside but be careful of anything around you and it must raise your heart rate!
