Example

Have you ever wanted to become invisible? Read these instructions to find out how!

First, carefully crush some baked beans and jellybeans and put them into a bowl.

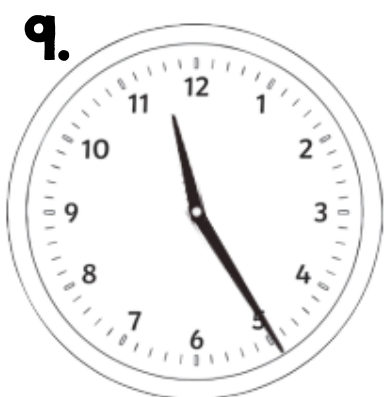

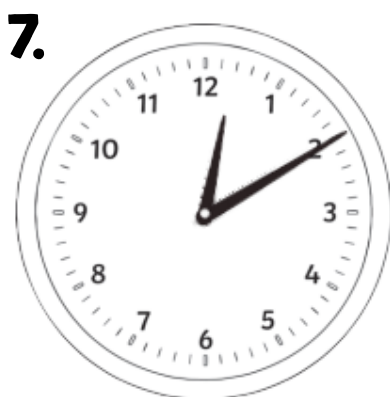

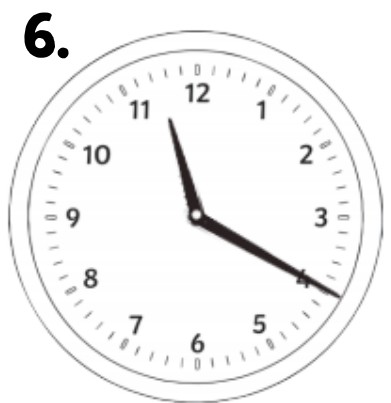

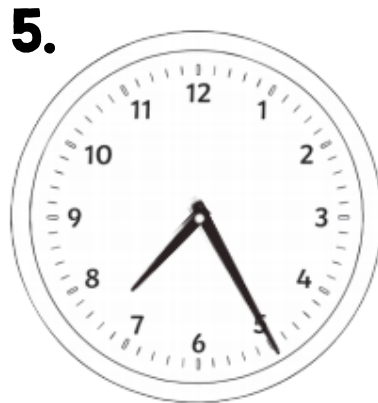

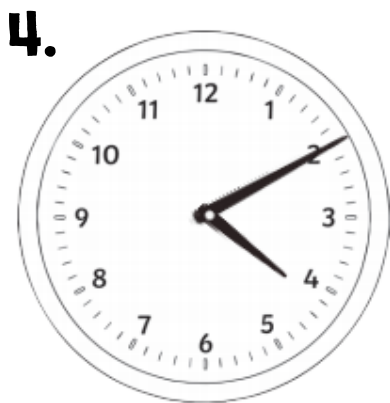

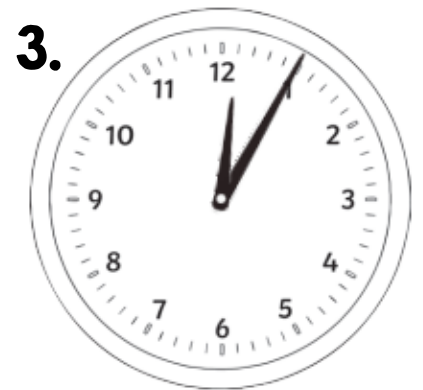

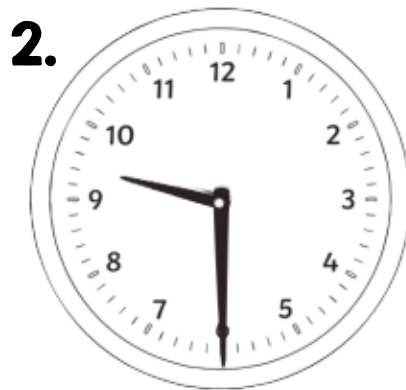

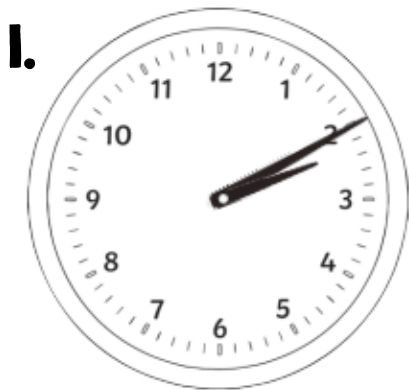

Then, slowly add a few drops of hot sauce to the mixture. Make sure it's the hottest sauce you can find! After that, gently stir in a pinch of sugar to make your portion taste sweet.

Now you have your very own Invisibility Potion! If you drink half a litre, you will stay invisible for a whole day!
