

## Day 5 - Year 6 home learning

Subject	Activity	Resources to help
<b>Maths</b>	Today, you are going to make a <u>revision poster of everything you know about area and perimeter</u> . Split your poster into the different shapes, give instructions of the method, and at least 1 example. You will want to look back at this later throughout the year!	
<b>English</b>	<p>Now you have seen and read the key events in Harry Potter, you are going to <u>discover the storyline of the book</u>. The events that you have looked at this week have <b>all been in chronological order</b>. Watch the short video, which explains the timeline of the film in 3 minutes. If you have seen the film or read the book before, you can add in anything else that you remember.</p> <p>Using the <u>book extracts, film scenes and timeline video</u>, create your own <u>timeline of the story</u>. You can use the screenshots or Miss Dade's example if you want, or you can create your own timeline. <i>If you are not sure where to start, see if you can add anything to Miss Dade's example - some of the scenes from the extracts are missing.</i></p>	<p><a href="https://www.youtube.com/watch?v=yhzAytdeXgQ">https://www.youtube.com/watch?v=yhzAytdeXgQ</a></p> <p>Example timeline</p> <p>Screenshots to order</p>
<b>Reading</b>	Re-read the extract from Inkheart. Get out your red marking pens - you are the teacher today. I have created 3 answers to an inference question. I need you to <u>mark them for me out of 3 marks</u> . Think about whether I have followed the PEE structure. Have I copied the quotes correctly from the text? Do they support my point?	Answers to be marked
<b>Spellings</b>	Get someone to test you on this week's spellings - let your teacher know what you got out of 10!	
<b>Art</b>	Choose and have a go at a Disney character drawing tutorial - you will need to be resilient, but stick with it because the final piece will look amazing!	<p><a href="https://www.youtube.com/playlist?list=PLflf8xbnbx65Z2oa2F9uqKZxJJn-4Nynr">https://www.youtube.com/playlist?list=PLflf8xbnbx65Z2oa2F9uqKZxJJn-4Nynr</a></p>

**If you have any questions - or would like to share your child's completed work - please use Class Dojo!**
