

Ancient Egyptian god/goddess collage

You will need:

- **One of the pictures from the selection below. If you aren't able to print off the picture, copy it on to a plain piece of paper.**
- **The Ancient Egyptian gods information sheet**
- **Glue stick or pva**
- **A selection of old magazines, catalogues, brochures, fliers**

Method:

1. **Refer to the gods information sheet - what colours do you need to make the collage of your chosen god/goddess? Get a selection from your magazines etc.**
2. **Following the instructions for collage from the video, tear up small pieces of each colour and make little piles of them. It doesn't matter if they're different shades of blue, green etc. That's the beauty of collage!**
3. **Now, fill in each section of your picture with the appropriate colour.**
4. **Take your time, it's going to look a-maz-ing!!**
5. **Don't forget to post a picture on Dojo!! Can't wait to see them!**
