

Day 1 - Year 5 home learning

Subject	Activity	Resources to help
Maths	Think back to your learning on long multiplication. Have a go at the long multiplication questions - send these to your teacher when you're done for marking!	Questions
English	Look at the pictures of either a WW2 battle scene or the farm. Pick one and write 5 expanded noun phrases and 5 prepositional phrases linked to this. Remember, expanded noun phrases give more information about the noun using the structure of determiner adjective comma adjective noun. Prepositional phrases tell us the position of something, for example 'under the fence'. As these are phrases there should be no capital letters and no full stops!	Pictures
Reading	Read for 20 minutes - write in your diary a comment about what you read and a prediction of what you think will happen next. Get this signed by an adult.	
Spellings	Have a look at this week's spelling words and practise these in whichever way works best for you. You could try writing them out as much as you can, a spelling scribble, a spelling pyramid or make a spelling game.	
Science	Thinking back to your learning in Science, tell someone in your house about reversible and irreversible changes. If you have the following resources, have a go at these experiments, make notes on your observations and classify them into irreversible or reversible. For an extra challenge, explain why. <ul style="list-style-type: none">- Make water an ice cube- Melt chocolate- Burn a candle- Make toast- Mix vinegar and bicarbonate of soda- Mix vinegar and milk	

If you have any questions - or would like to share your child's completed work - please use Class Dojo!
