

Day 2 - Year 6 home learning

If you have any questions - or would like to share your child's completed work - please use Class Dojo!

Subject	Activity	Resources to help
Maths	This week we are going to look at ratio. <u>Watch the video</u> to learn what ratio is and then have a go looking at ratio practically (like on the video). <u>Collect things around your house to show ratio</u> - write or present (you could video yourself explaining!) what the ratio is and why.	https://www.youtube.com/watch?v=VEiUWInOZs&list=PL-10kiddfqEOHRx0sKaTgrKgZR4il6hrT&index=23
English	Today you are going <u>to write your introduction to your autobiography</u> - this is similar to your biography introduction where you need to introduce who the autobiography is about with some fun facts. Have a look at the example to help you - think about all the Year 6 writing features you could include and remember as it is about you it needs to be in 1 st person!	Example introduction
Reading	Read the extract from <i>Gangsta Granny</i> and have a go at the <u>retrieval and vocabulary questions</u> .	Extract Questions
Spelling	Have a look at this week's spelling words and practise these in whichever way works best for you. You could try writing them out as much as you can, a spelling scribble, a spelling pyramid or make a spelling game.	
Topic	Let's start to think about the world - <u>have a go at drawing a world map from what you already know</u> . Have a look at the blank world map - how close were you? <u>Have a go at labelling what you know: countries, places or seas</u> .	Blank world map
