English

Lesson 2 – Please follow along to today's grammar lesson on using possessive apostrophes. Once you have followed along, please complete the activity labelled 'activity lesson 2'. Choose what level you would like to complete- 1 star= bronze 2 stars= silver and 3 stars= gold. You can then check the answers using the answer sheet.

Maths (addition and subtraction)

Lesson 2 – Please read through today's instructions (Addition by problem solving and reasoning) and then work through your chosen questions.
