

Day 3 - Year 5 home learning

Subject	Activity	Resources to help
Maths	Make a poster/ video to teach someone else to be able to complete long multiplication questions. Maybe you can persuade someone in your house to let you teach them!	
English	Pretend you are an evacuee. Make two word banks - one from when you lived in the city and one from when you lived in the countryside. Think about adjectives (describing words) you might use to describe what you can see, smell, hear, touch etc. Have a look at the pictures for inspiration!	Pictures
Reading	Read for 20 minutes - for at least 5 of these minutes read aloud to yourself or to someone in your household. Focus on reading with fluency - smoothly, at an appropriate pace and with expression.	
Spellings	Have a look at this week's spelling words and practise these in whichever way works best for you. You could try writing them out as much as you can, a spelling scribble, a spelling pyramid or make a spelling game.	
PE	Have a go at a Joe Wick's work out!	https://www.youtube.com/watch?v=BDigyoBrHms&list=PLyCLoPd4VxBsYwx1a3RXMoAuJp1MAVG_O

If you have any questions - or would like to share your child's completed work - please use Class Dojo!
