

Day 9 - Year 5 home learning

If you have any questions - or would like to share your child's completed work - please use Class Dojo!

Subject	Activity	Resources to help
Maths	If needed revisit the video on reading tables then complete the attached work.	https://www.youtube.com/watch?v=utwaaV5MvAc
English	Look back at both your setting images and your setting description from yesterday. Today, you are going to write a setting description for the second of your images. In contrast to yesterday, today's setting description needs to be written in 1st person and past tense . To do this, you can imagine that you were at the location shown in the picture. I have updated my setting description from yesterday to show 1 st person, so you may want to take a moment to look at this first!	Example
Reading	Re-read the text and summarise each paragraph in 20 words or less.	
Spelling	Please use the spelling words which were sent out in an email to practice your spellings. Some good ways to do this is either to learn them via look, cover, spell, check or you can always create a wordsearch and find your spelling words.	https://thewordsearch.com/maker/
PE	We have two pe lessons a week. The first lesson is based around health and fitness and our second is on tennis. Watch the video and have a go at a home tennis lesson. If you have a racquet that is a bonus. If you don't... no problem, watch the video to see how you can use household items.	https://www.youtube.com/watch?v=eaNOI-DYZwk
