Maths

Don't forget to practice your times tables during the week. We are learning 3, 4 and 8 times tables. You can play 'Hit the Button' on the internet to help you learn them out of order:

<https://www.topmarks.co.uk/maths-games/hit-the-button>

Lesson 1 – Today we are recapping perimeter – LI: To understand and calculate perimeter. Read through the information about perimeter and how to calculate it, having a go at the practice questions. Then have a go at the perimeter word problems on the next document.

Document titled: Week 2 Lesson 1 Understand and calculate perimeter

Document titled: Week 2 Lesson 1 Perimeter Word Problems

Document titled: Week 2 Lesson 1 Word problem answers

Lesson 2 – Today is a recap of finding the perimeter - you will be the teacher today explaining how to calculate perimeter!

Document titled: Week 2 Lesson 2 Calculating perimeter

Lesson 3 – Today we are going to recap money by looking at converting amount of money into pounds and pence. Please read through today's instructions and have a go at the activity.

Document titled: Week 2 Lesson 3 Converting money amounts into pounds and pence

Document titled: Week 2 Lesson 3 Converting money amounts answers

Lesson 4 – One last look at money. Today we will be looking at how to make different amounts of money. Please read through today's instructions and then work through your chosen questions.

Document titled: Week 2 Lesson 4 To create money amounts info and questions

Document titled: Week 2 Lesson 4 To create money amounts Answers

Wider Curriculum (Topic)

Lesson 6 – Follow along to the PDF to find out all about AD and BC dates. Once you have followed along, complete your task labelled 'lesson 6 activity'. Order these in the correct order on a timeline. Remember BC/BCE dates come first- biggest to smallest and the AD/CE- smallest to biggest.

Lesson 7- Follow along to the PDF to find out all about Stone Age Homes. Once you have followed along, complete your task labelled 'lesson 7 activity'. Create your own Stone Age Home- use the PDF to help you create the best one. Make sure you are using materials they would have had in those times.

Lesson 8- Follow along to the PDF to find out all about Stone Age Clothing. Once you have followed along, complete your task labelled 'lesson 8 A B and C activity'. Use the PDF to help you create the best one. Make sure you are using materials they would have had in those times- you are more than welcome to actually make these and use the stitches in activity C but if not just draw and colour your Stone Age outfit.

Lesson 9- Follow along to the PDF to find out all about Stone Age cave paintings. Once you have followed along, have a go at making your own cave painting. Use the PDF for inspirations.
