

## EAD - Music Challenge

Can you find different objects around your house and explore with what sounds they make? Can you pretend those objects are musical instruments?

Can you make loud sounds?

Can you make soft sounds?

Can you make long sounds?

Can you make short sounds?

Can you make music and sing a song?

We would love to see your learning on tapestry with pictures, videos or comments.

Challenge—Can you make a band and perform your own song?
